

Friends with Disabilities

ByronFest in cooperation with All Around Amusements presents the Friends with Disabilities program. This form entitles the bearer to receive free, unlimited rides on Sunday, July 10, 9-11 AM. A wristband will be given to the bearer after this form is turned into the ticket booth at the carnival. After the Friends with Disabilities program has ended, the wristband will be removed and standard entrance and ride fare will return to normal. We want to thank All Around Amusements for this amazing program and look forward to seeing all of our friends there!
